Author Lucy Maud Montgomery was born in New London nearby and moved to Cavendish later after her mother died. Her frequent visits as a child to meet with cousins at the family Green Gables farm created a deep impression and was the basis for her fictional blockbuster 'Anne of Green Gables' and several other stories in the series. the 20th century, Cavendish thrived as a travel destination due primarily to L.M. Montgomery's books and in 1937, the Prince Edward Island National Park was created. Cavendish Beach became one of its most popular beaches with the Green Gables farm also within the National Park perimeter. Cavendish has a world class golf link, amusement parks, a beautiful beach, shops and is a haven for Anne of Green Gables fans. Visit the Anne of Green Gables Museum and spend time in Green Gables farm house with its beautiful landscaped grounds. In nearby Avonlea Village, experience true PEI hospitality with delicious food, traditional Island music and quaint shopping.
